

Be A School Wellness Champion

Parents, we need your help to make our school healthier!

Children spend most of their day at school. It is important that they have healthy foods and drinks. Good nutrition also helps kids learn better at school. Our school wellness policy will emphasize a healthy food choices. Parents can help update the school wellness policy and to put it into action.

4 ways parents can help:

1 Join the school wellness committee.
 We will send an email about our next meeting soon.
 The wellness committee meets one a month and works on projects to help make our school healthier. You do not need any special training to be on the committee, just an interest in keeping our school healthy!

2 Read the school wellness policy at: <https://www.al-amal.org/current-lunch-menu/>

For questions or more information, contact **the school office at: 763-231-9701.**

3 Support classroom and school events to have healthy foods and get kids physically active. Keep the wellness policy in mind when planning what foods and beverages to have at events and celebrations. A prior approval is needed from the administration and the wellness committee for any party arrangements.
